Sir,

I have the honor to submit the EARIST 2016 ANNUAL REPORT.

This report highlights the Institute's thrusts, priorities and accomplishment in delivering quality education to economically challenged but academically deserving youths through quality instruction, research, extension and administration.

In behalf of EARIST, I would like to extend our heartfelt gratitude for the continuous support your administration has provided to fulfill our mandate as State higher educational institution. We commit ourselves as partner in building a strong Republic by producing highly competent and globally competitive graduates.

Very respectfully yours,

Philosophy

As a state college, Eulogio "Amang" Rodriguez Institute of Science and Technology (EARIST) believes that education is not an area of knowledge that can be arrogated unto itself by one profession, nor it is a division separate and distinct from the society and the times in which it flourishes. It is a plexus of knowledge and skills applied to the economic, social and moral development of self-actualized and productive citizenry.

Vision

EARIST is envisioned to be a center of excellence in trades, business, arts, science and technology education.

Mission

Turn out vocationally, technically, technologically, and scientifically trained graduates who will be economically productive, self-sufficient, effective, responsible and discipline citizen of the Philippines.

President's Message

The year 2016 has registered remarkable achievements in the academe which redounded to the benefit of all EARISTians and other stakeholders. To have a glimpse of some of these accomplishments, the Institute has complied with the strict requirements of the 2016 SUC Leveling Instrument: submitted various programs for Certificate of Program Compliance (COPC) and program accreditation; promoted a number of faculty through the National Budget Circular No. 461 evaluation; Initially transferred some city-paid faculty to the national roll; increased number of graduates; increased number of research presentation both in national and international fora; students' achievements in outside competitions, leaving a milestone in the furtherance of institutional goals towards reinforcing proactive engagement in human development, productivity, and global competitiveness.

Our strong determination, ingenuity and dedication to the service lead us to these achievements and proved the fortitude of EARISTians to surmount challenges.

It is in this light that I express my sincerest appreciation and acclamation to all EARISTians for your unwavering support and commitment.

Let us continue to imbibe Unity, Solidarity and Teamwork as we shift towards greater heights in pursuit of excellence, which is possible by "Doing the Right Thing Right".

God bless and Mabuhay!

EARIST Hymn

Let the EARIST music fill the air
With the echo of our spirit rise
There's a magic that will stir the hearts
When we sing our lively tuneful march
What a joy to sing the music gay
With it sounds with a beat of martial air
Let the call to duty we obey
And the service we give every day.

EARIST, your name is in our hearts
EARIST, our love will always spark
We pledge to stand by you, thru our
Noble thoughts and deeds
To give you our love and loyalty, forever

E-A-R-I-S-T, EARIST, forever.
