Vol.4 Iss.No.4 **THE LIBRARY NEWSLETTER** Sept-Nov.2018

Golden year for birthday celebrator R. Soriano

R. Soriano turns 50 on September 8, 2018. It was celebrated with the library staff on Sept. 10, 2018. This is her third year of being in the library as Chief of Library Services, and has been a regular local counterpart task force during accreditations since her first training in 2012, thus continually been experiencing and witnessing library’s development since time.

Annual MIBF held and been visited every year

Meet the newest addition to the library

Maika C. Makinano is the newly hired library staff assigned at the third floor with Ms. Abique. A very own graduate of Bachelor of Science in Computer Technology in 2014, she started as job order personnel last October 2018.

Congratulations and keep doing best in all your tasks and continued library service to our clientele.

SCIENCE MONTH CELEBRATION IN THE LIBRARY

The General Education Unit Natural Science Department conducted activities in connection with the Science month celebration on Sept. 24-25, 2018. These are : on the spot poster making contest, science quiz bee and science symposium. The theme of the celebration is “Science for the People : Innovation for Collective Prosperity”. This is a yearly activity of the unit with Nerissa B. Capili, head of the GNU/ Nat Sci Dept spearheading the celebrations.

Congratulations to all !

Everything in the name of ISO

For ISO certification to comply, a lot of workshops and activities are needing to be complied, for this another ISO Workshop-Service Process Model was held on Sept. 27, 2018 at the Accreditation Room. Attended by the executive officials, directors and chiefs of offices, the following activities are identified: identified service process of respective unit/ college and related documents, SWOT analysis, and risk registry.

STARBOOKS' National Convention held

Designed to further equip active coordinators/partners with the skills to maximize further the use of STARBOOKS as well as to open up other opportunities, the Science and Technology Information Institute (DOST-STII) held the first STARBOOKS National Convention in the Southern Luzon Cluster (NCR, CALABARZON, MIMAROPA and the Bicol Region) on October 10-12, 2018 at the Bayview Park Hotel City in Manila.

C. Romaquin and J. Abique attended this 3-day first come, first serve event which sponsored both food and accommodations for the participants.

PAARLNET Convention held at AIM

Since EARIST library has been an institutional member for two years, a first convention ever was held for all its members on October 1-2, 2018 at the Asian Institute of Management, Makati City.

For this convention, the theme was "Collection Development : Trends and Issues". This has been such a great opportunity for all members to come together and plan for how a collective endeavor would be put up to materialize a joint undertaking on making collection accessible to everyone through resource sharing and PAARLNET. This aims to provide a broad overview of what collection development is about and familiarize participants with its current trends and issues.

EARIST SUMMIT IV 2018 in Bataan

A staff development order was released on Oct. 9, 2018 for the conduct of EARIST Summit on Oct. 15-17, 2018 at Morong, Bataan. This was altogether taken up by the executive officials and the directors and chiefs of different offices.

The goal is to arrive and successfully acquire ISO 9001-2015 Certification and though this may have been a tough battle but with the determination and perseverance of the people behind this, nothing can never be impossible.

To EARIST, may the spirit of friendship and love for our institution continues through hard work and selfless endeavors.

HAPPY BIRTHDAY Mam Caren

C. Romaquin once again celebrated her birthday at the library on Nov. 5, 2018. She is 49.

May all your wishes and dreams come true. Continue to be a public servant, earnestly working for the betterment of our institution.

God bless!
