OFFICE OF THE PRESIDENT

EARIST ADVISORY NO. 11, S. 2020
SEPTEMBER 4, 2020

**Extension of the Opening of Classes for
the First Semester School Year 2020-2021**

The reimposition of Modified Enhance Community Quarantine (MECQ) last August 4-18 in the NCR and selected provinces affected the activities of the faculty members and the different units in their preparations for the online classes, considering the limitations for physical reporting of personnel during this period.

With proper consultations with the Faculty and Employees Union (FEU) and the Student Government, the Administration sought the approval of the Board for the extension of opening of classes on October 5, 2020.

The EARIST Board of Trustees, through Board Referendum No. 03, s. 2020 dated August 26, 2020, approved the **Change of Opening of Classes from September 7, 2020 to October 5, 2020 and the Revised School Calendar**, as endorsed by the EARIST Administrative Council.

Relative to this development, all activities shall continue as scheduled.

As regards the Alternative Work Arrangements, EARIST Advisory No. 10, S. 2020 shall remain in full force.

For proper guidance and compliance.
