

EULOGIO "AMANG" RODRIGUEZ INSTITUTE
OF SCIENCE AND TECHNOLOGY
Nagtahan, Sampaloc, Manila

TeDPro Lab : Technology Design and Prototyping Center

Cordially invites you

CNC Milling/Drilling and CNC 4-axis Router

December 6-7, 2022

**TeDPro Lab, Ground Floor CEFA Building,
EARIST, Nagtahan, Sampaloc, Manila**

RESOURCE SPEAKER: MR. MARVIN OCAMPO

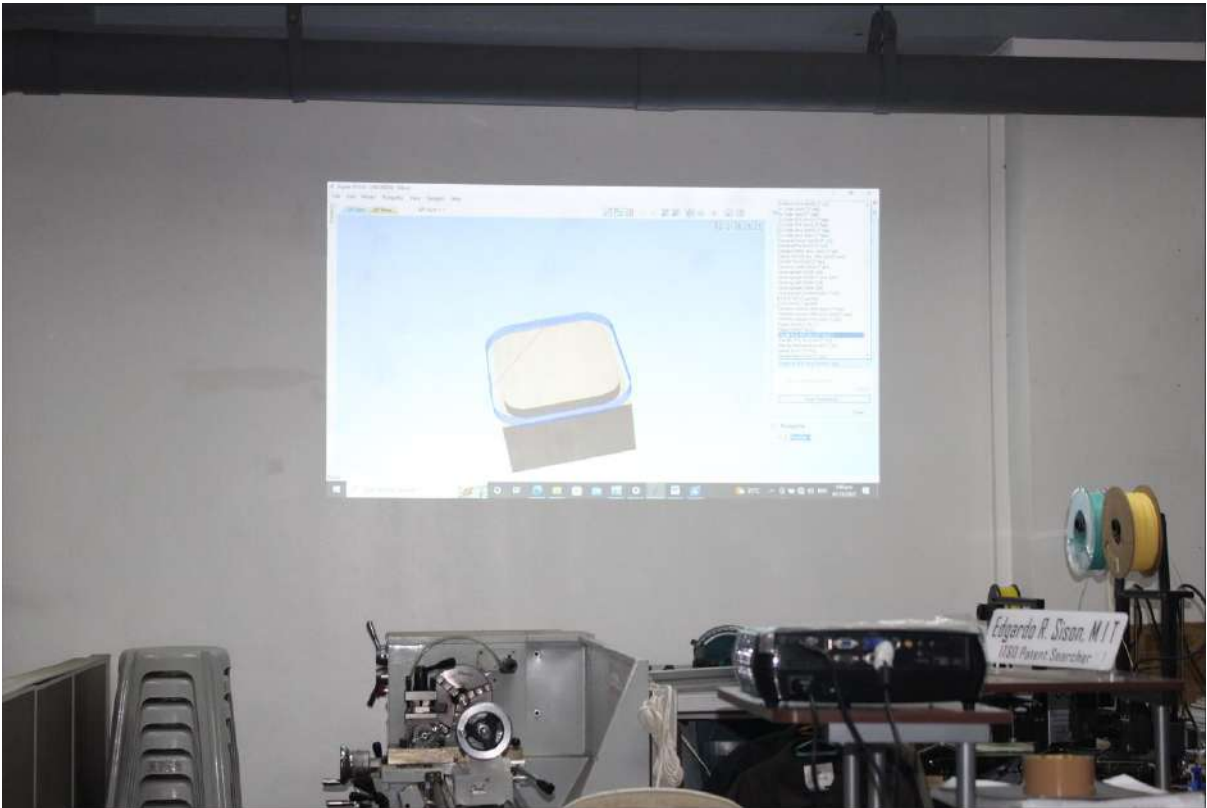

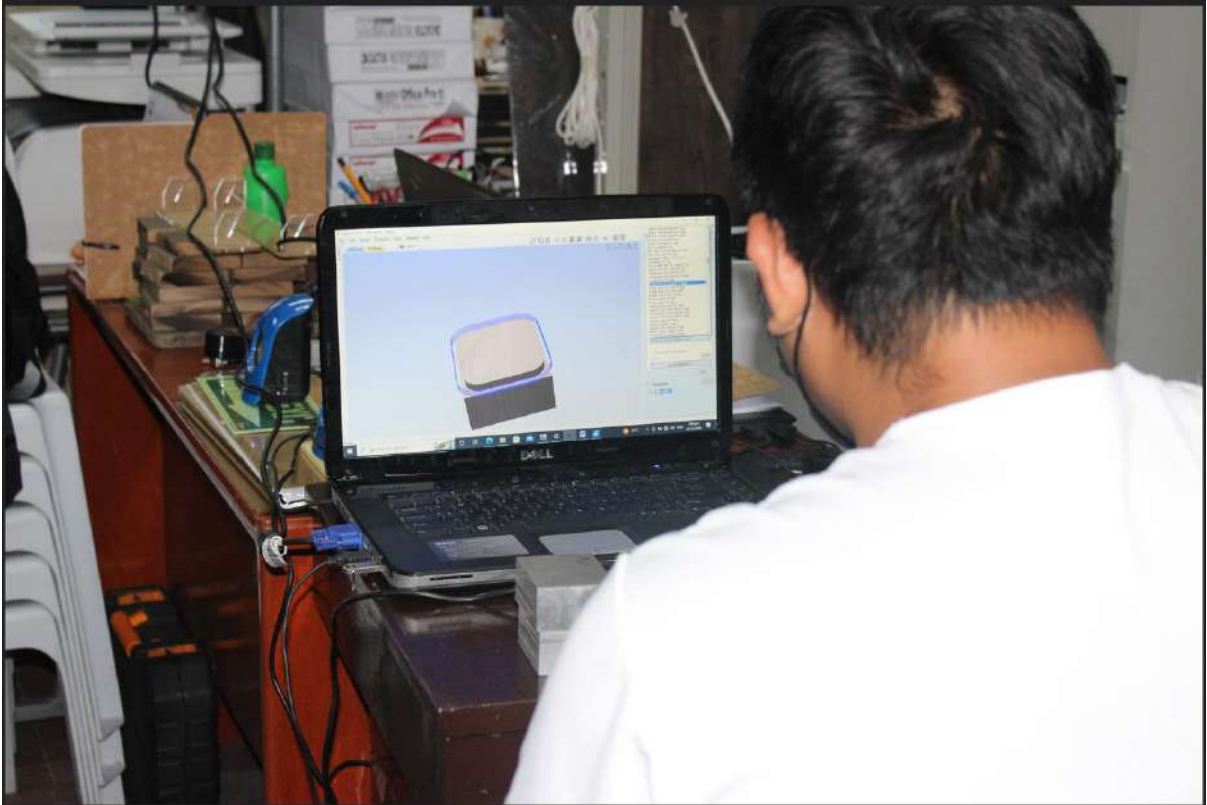

DAY 1: CNC MILLING MACHINE SEMINAR

The banner features three logos at the top: the circular seal of Eulogio "Amang" Rodriguez Institute of Science and Technology (1945) on the left, the stylized "TeD Pro Lab" logo in the center, and the circular seal of the institute's Research Services (1980) on the right. Below the logos, the text reads: "CNC Milling and CNC 4 axis Router Machine Seminar Workshop", "December 6-7, 2022", and "TeDPro Laboratory - CEAFA Quadrangle".

CNC Milling and CNC 4 axis Router Machine Seminar Workshop
December 6-7, 2022
TeDPro Laboratory - CEAFA Quadrangle
