A CHEMICAL ENGINEERING PLANT TOUR

Are you a travel agency that specializes in educational tours? We're looking for a partner to create an unforgettable and enriching experience for our chemical engineering students. Embark on a learning journey with us!

HERE'S WHAT WE ENVISION

An engaging tour that complements our academic curriculum and an opportunity for students to apply their knowledge in real-world settings.

WHY PARTNER WITH US?

Be part of shaping the future of chemical engineering education and showcase your expertise in creating educational travel experiences.

INTERESTED?

Submit your bid on or before the deadline to be considered. We can't wait to hear from you!

DEADLINE: 1ST WEEK OF APRIL
