**EARIST ADVISORY NO. 13, S. 2020**  
**November 16, 2020**

**Five-Day Academic Break**  
**(Suspension of Synchronous and Asynchronous Classes)**

The two consecutive typhoons Rolly and Ulysses that hit Metro Manila and the neighboring provinces and municipalities of Rizal, Bulacan, and Cavite in the recent week caused devastating floodings and damages to houses and properties, and even endangered the lives of residents in the affected areas.

In order to give time for the students and faculty members to recover from the impact of this calamity, EARIST hereby declares Academic Break from November 17-21, 2020, suspending all Synchronous and Asynchronous classes for all levels both in Manila and Cavite campuses. All academic activities will resume on November 22, 2020.

However, with the series of suspension of classes, including this academic break, the First Semester SY 2020-2021 will be extended. Revision of the school calendar will be announced soon.

Please be guided accordingly.
